## What is the Northwest Tennessee Human Resource Agency?

The Northwest Tennessee Human Resource Agency was established by the Tennessee General Assembly in 1973 to be the delivery system for human resource services in the nine counties of the region.

The Elderly Nutrition Program and the Senior AIDES Program were the initial programs operated by the NWTHRA. The NWTHRA has now expanded its services to offer public

transportation and in-home services.

Currently, the NWTHRA employs people at the district office and throughout the nine counties to deliver these services, using a combination of federal, state and local funding. The staff and agency are overseen by a governing board composed of elected officials from all nine Northwest Tennessee counties.

## OUR MISSION:

*The Northwest Tennessee Human Resource Agency is committed to enhancing the quality of life for all residents of the region through existing services and is constantly searching for new programs to meet their ever changing needs through the following values and/or guiding principles:*
