

NWTDD

Planning Department Services:

“Providing technical support and assistance to ensure the growth and development of Northwest Tennessee.”

Grant Writing and Administration:

Research, writing and administration for various state and federal grant opportunities.

Community Planning:

In conjunction with local planning commissions, provides professional and comprehensive planning services to help our cities grow the right way.

Rural Planning Organization (RPO):

Established through TDOT, monitors and provides services to the area on transportation related needs and projects.

Housing Assistance:

Emergency Repair Program benefits low income, disabled households by investing \$200,000+ annually in area home repairs.

Historic Preservation:

Provides preservation related consultation, namely nomination to the NRHP, and completion of Section 106 review.

Solid Waste:

Authors Annual Progress Reports, Needs Assessments, assists with grant writing and implementation, and other technical assistance in the region.

Tennessee Advisory Commission on Intergovernmental Relations (TACIR):

Research, compile and maintain inventory of needed public infrastructure in the area.

Intermediary Relending Program (IRP):

Loan fund available to private business with sufficient credit and collateral.

Mission Statement

The Northwest Tennessee Development District provides a network for technical assistance and resources in response to requests from local communities in our district. The Development District concerns itself with the total social, economic and environmental well-being of the area. The goals are:

To assist local governments in researching, obtaining and administering State and Federal funding;

To enhance the quality of life in Northwest Tennessee;

To bring together as many resources as possible in an effort to keep senior citizens active, healthy and in an independent living setting.
